from the Depy Comr., Hassan Distt, re
the discourteous conduct of the Manjaraba
Taluk officials in the matter of the suppl
of dawk bullocks to certain Military Offic

The reply sent to the Residency on this subject (No.14543/Pol.462 d, 24th June 1899), was based on the Saklespur Sub Division Officer's telegram dated the 23rd idem. According to the latter, the punishments inflicted were --

1, The Patel of Hanbal was suspended for 6 months
Manja Shetty 2. A Taluk Peon was dismissed.
3, Another Taluk Peon was fined
Suspended for a year 4. The Kusba Shekdar was transferred.
Suspended. 5. The Patel of Hebsale was warned.

The Depy Comr's report (No.897 d.24th June 1899), which was received here on the 26th June, showed that that Officer had modified the Sub Division Officer's orders, and that the punishments as modified stood as follows;--

1. Peon Manja Shetty	Dismissed.
2. Peon Abdul	Fined 1 Rupee.
3. Patel of Hanbal	Suspended. } It is not stated for how long.
4. Patel of Hebsale	Suspended. }
5. Kasba Shekdar	Suspended for 1 year.
6. Police Duffedar of Hanbal (Ramaiya)	Suspended for 3 months.

Taken for by telegram 17-9-99

These modified punishments may, it is

submitted, be now communicated to the Residency, with the intimation that the conduct of the Police has been taken notice of by the suspension of the Duffedar for 3 months.

The President thinks that some action should be taken to mark the dissatisfaction of the Durbar with the extreme remissness of the Amildar, who was primarily responsible for the arrangements in connection with the journey and who took no pains to ascertain that such arrangements were made. It appears from the papers before this Office that upon receipt of an application for dawk bullocks on the 26th April for the journey of Major Kennedy and Captain Parsons on the 27th idem, the Amildar directed the Kotwal, and issued written instructions to the Shekdar and the Patel of Hanbal, to supply bullocks within their respective jurisdictions, and wrote at the same time to the Military Officers that there was no time to arrange for bullocks beyond his jurisdiction.

The Amildar of Manjarabad at the time was Gulam Mohidin Khan, He has since been transferred to Chamrajnagar.

Dated Bangalore, 20th May 1899.

SIR.

I am directed to forward the accompanying letter dated the 3rd instant from the Commandant 1st Madras Pioneers to the Assistant Adjutant General, Bangalore District, and to say the Resident would be glad to be informed at the earliest possible date of the result of the enquiry made in the matter brought to notice, and of the action taken by the Durbar on the complaints contained in Major Kennedy's letter.

I have the honor to be,

Sir,

Your most obedient servant

First Assistant Resident.

A.O/846 Bangalore, 3rd May 1899.

From

Major E. C. W. Mackenzie Kennedy,
Commandant, 1st Madras Pioneers.

To

The Assistant Adjutant General,
Bangalore District.

Sir,

I have the honor to bring the following matter to notice, and to request that you will lay it before the Major General Commanding, with a view to such steps being taken as he may consider necessary.

Whilst at Saklespur last week on inspection duty, arrangements had to be made for the conveyance of Captain Parsons, 2nd West Riding Regiment and myself to Mudgiri distant about 24 miles at which place we could get a tonga. The gentlemen who had posted us out from Mudgiri were, owing to their breaking up and requiring their ponies,&c for themselves, unable to send us back. So Captain H. W. Martin the Adjutant, Coorg and Mysore Rifles on the 26th instant requested the Amildar of Saklespur to post bullocks for us for the journey into Mudgiri. He reported this would be done and provided us with one pair of bullocks at Saklespur. We left Saklespur on 27th and at about 8 miles out, we met his messenger who informed us that the next pair was at Hanbal 11 miles from Saklespur (opposite the 9th mile stone on Saklespur-Mudgiri Road) and that we should find a Policeman at the thana, who would bring the bullocks for us and that the bullocks were ready in the Patel's compound. On arrival at the thana we found it absolutely deserted. Of the Daffedar and five Constables whom I was given to understand are posted there, not one was present, nor did I find any signs of them during the hour or

so

more we remained there. I sent up to ask the Patel to come and see me and he sent a message to say he was bringing the bullocks. I waited half-an-hour and again sent; he replied that he had gone to get the bullocks. I again after a long wait sent up and asked him to come and see me to arrange about the bullocks and told him that I should report the matter to the Dewan on return to Bangalore; he then sent back to say he would not supply any bullocks and that I could do what I liked. The name of the Patel is Hanlah Gounder. We accordingly proceeded with the original bullocks with the result that we had to walk nearly the whole way and took nearly 12 hours over the distance, without food, &c. At the village of Hanbal we met with ~~much~~ much insolence from the only occupant of the Police Station, an old Brahmin. On my going to see the Patel I found that he had left his house and was not to be found.

I would beg to urge that such steps should be taken to prevent a reoccurrence of such behaviour on the part of the Officials, whose duty appears to be to assist Officers and others travelling, when called on to do so.

H. F. T. Kennedy,
Major
Commandant, 1st Madras Pioneers.

His Docket No. 13445
Genl: 2355
Dated 27 May 1899, forwarding copy of Major E. C. W. MacKenzie's letter regarding the new supply of bullocks ab hand for enquiry and early report.

Has the honor to forward herewith the report of the Sick Division

Duncan Officer Sakleshpur, on
the subject together with the re-
-cords of enquiry connected there-
-with and to observe as follows:-

2. On the 26th of April last
at 4 P.M. the Amildar of Mayi-
-rabad received a letter from
Captain A. W. Martin desiring
him to post bullocks to enable
Major E. C. W. M. Kennedy to pro-
-ceed from Sakleshpur to Muda-
-gere the following morning.
The Amildar informed Captain
A. W. Martin of want of sufficient
time to post bullocks beyond
his Taluk and issued orders to
the Kotwal, Kasba Shaikdar
and Havbal Potel for the
supply of bullocks at Sakleshpur,

Sakleespur ah Habbasala between
Sakleespur and Haubal and
ah Haubal. The Kotwal sup-
plied a pair of bullocks ah
Sakleespur. The Shaikdar ought
to haue seen to the supply of
bullocks ah Habbasala and the
Potel of Haubal had to supply
bullocks at Haubal. The Shaikdar
reported on the 30th April 1829
that the order of the Amildar
regarding the supply of bullocks
was executed. On the same
day the Potel of Haubal reported
that the Amildars order re
garding the supply of bullocks
was delivered to him ah 12 o'clock

on

on the 27th April, that he could not find bullocks in the neighbourhood and that the Officers therefore proceeded further on.

3 — From the letter of Major E. C. W. M. Kennedy, it is evident that no bullocks were supplied at Hebbasala and that the Hanbal Potal refused to supply bullocks when required to do so. The Shanbogue of Sakleshpur who reported the Supply of bullocks at Hebbasala although none were supplied, states that he, on the 26th April, communicated the Annakaris order about the supply of bullocks to the Potal of Hebbasala through the Peon Abdul,

That

that on the morning of the 27th April the Peon returned and informed that the Potél had the bullocks ready and that later on, on the same day the Potél said that the Officers did not want the bullocks and went away. The Potél of Hebbasala says that he was waiting with bullocks at the Basavanna's Temple and that the Officers did not stop the carnival there and moved on without asking for the bullocks. The explanation of the Potél is unsatisfactory. If he had the bullocks on the road side, he would have attracted the attention of

The

the Officers. There would have been no objection for him to have informed the Officers of his having ready with the bullocks if really he had them with him at the time. The Shanbogue instead of attending to the supply of bullocks in person, made a false report to the Amildar that the order about the supply of bullocks was executed. Hence the Shanbogue of Sakleshpur and the Potél of Hebbasale are guilty of gross dereliction of duty.

4 ——— With regard to the Potél of Hanbal, the Peon Manjappy, who was entrusted with the order of the Amildar to be delivered

delivered to the Potél, says that he halted at Hebbasaka on the night of the 26th April and reached Kanbal at 7 o'clock next morning that the Potél was not at home and could not be found elsewhere, and that he (Potél) came home at about 10 o'clock when the order was delivered. The Potél says that on the morning of the 27 April he did not go out of his house, that Ananja petty delivered the order of the Amildar at 12 o'clock, that there were no bullocks in the village that day as they had been taken to Sakleshpur Shandy, that as the officers wanted bullocks he went in search of them elsewhere, and

that

that he returned without getting
the bullocks when he learnt
that the officers had gone on
so Manjasetty was very slow in
discharging the duty entrusted
to him and his statement that
the Potel was not at home on
the morning of the 27th April,
is contradicted by the Potel. The
Potel does not seem to have paid
prompt attention to the supply of
bullocks required of him. It
is said in Major E. C. W. M Kennays
letter that the Potel sent words
to say that he would not supply
any bullocks and that the
officer could do what he liked.
Hence Manjasetty and Haubal
Potel are guilty of gross neglect

of

of duty

5 —— The Sub Division Officer, in his report, says that Ranie Sonda Patil of Haubal, has been suspended for 6 months for his guilt, Manjaseth the acting Peon, has been dismissed from service, the Shaikdar of Sakleshpur has been transferred to some other Hobli, and — the Patil of Habbasala has been warned as no great blame rested on him. The undersigned does not understand how the Patil of Habbasala is not to be greatly blamed and why the Shaikdar of Sakleshpur should only be transferred. If these two had taken care to supply the bullocks at Habbasala

Hebbasala, the non supply of them at Haubal would not have put the Officers to so much trouble and inconvenience as is stated in the letter under consideration. Considering the gravity of the dilatory and negligent conduct of the officials concerned, the undersigned has suspended the Potels of Hebbasala and Haubal as well as the Talikdar of Sallekopir ~~has been suspended~~ for one year.

6 —— It is stated in major E. C. W. M. Kennedy's letter that the Brahmin occupant of the Haubal Police Station behaved in a very insolent manner. This Brahmin is Ramaiya, Police Duffedar of the Haubal Station.

Ar

He states that two officers came to the station at one o'clock on the 27th April and asked him about the villagers, that he replied that he did not know anything about them, that the officers wanted him to bring the Potel and that he (Duffedar) having no Police Constables at the Station sent somebody else to fetch the Potel Although the Duffedar does not admit of his having behaved insolently on the occasion, yet there can be no doubt of his insolent Conduct as is apparent from Major Kennedy's letter.

The undersigned therefore directs the suspension of the Duffedar for three months.

7 —— In the letter under Consideration

Consideration there appears the following "We left Sakleshpur on 27th and at about 8 miles out we met Amildar's messenger who informed us that the next pair was at Kanbal 11 miles from Sakleshpur (opposite the 9th mile stone on Sakleshpur Mudabire Road) and that we should find a Police man at the Danah who would bring the bullocks for us and that the bullocks were ready in the Patel's Compound." The Sub Division Officer does not appear to have taken notice of the above and no enquiry seems to have been held on the same. He is therefore requested to institute necessary enquiry.

enquiry into the matter and report the result at an early date. —

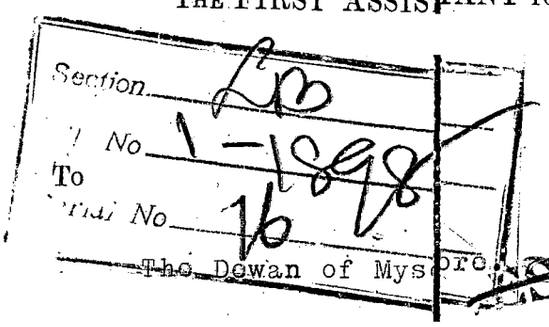
FROM

THE FIRST ASSISTANT TO THE RESIDENT IN MYSORE.



Dated Bangalore 21st July 1899.

SIR,

I am directed to refer to your letter No.14543/Pol.462 dated the 24th June 1899 in which you reported the action taken by the Durbar in connection with Major Kennedy's complaint of the conduct of certain local officials towards himself and Captain Parsons.

2. I am to point out that Major Kennedy and Captain Parsons were travelling on Government service, and that the Amildar of Saklaspur, to whom they applied for transport, undertook that this should be furnished. The Amildar was thus primarily responsible for the arrangements in connection with the journey; but it appears that he took no pains to ascertain that such arrangements were made, and in fact they were not made. Major Kennedy and Captain Parsons were thus put to great hardship and inconvenience. The Resident considers that some action should be taken to mark the dissatisfaction of the Durbar with the extreme remissness of the Amildar, and he would be glad to know what further steps they propose to take in the matter with regard to this

Amildar - (1)

Officer.

Patel (2) 3. I am further to remark that in view of the deliberate refusal of the Patel of Hanbal, Ramiah Gownden, to furnish bullocks after he had received the Amildar's order to do so, and of his disrespectful messages to Major Kennedy, Mr. Crawford thinks that the Patel deserves more severe punishment than suspension for 6 months only. It is also observed that sufficient notice does not seem to have been taken of the conduct of the Police on this occasion. Major Kennedy reported that of the duffadar and 5 constables, who, he was given to understand, were posted at Hanbal, not one was present, and that the only occupant of the Police Station was an old Brahmin from whom he met with much insolence. I am

Patel (3) to ask whether the Durbar do not intend to take any action with regard to the officer in charge of the Police Station or other officer who was to blame for this occurrence.

Office of the Sub Divisional Officer

Dated the 19th day of September 1879

From

The Sub Divisional Officer

To

The General and Revenue
Secretary to the Govt
of Mysore
Bangalore

Sir,

With reference to your telegram of yesterday - desiring me to send Captain Martin's letter to the Amildar of Nanjesabad Taluq regarding the supply of bullocks to Major Kennedy and the Amildar's reply thereto, I beg to submit that

that before sending up my report in the matter of Major Kennedy's complaint I desired the Amildar to shew me the letter to satisfy myself that the letter had reached him at 4 in the afternoon as reported by him. The letter was not produced as the Amildar appeared to have mislaid it. However, he assured me that he received the letter at 4 P. M. as reported by him and I said so in my report relying on the Amildar's assurance and his report.

2. On receipt of your telegram yesterday at about quarter after 9 P. M., I had a careful search made in the Salary Cutcherry for

for the letter and the Amildars reply both with the result noted today. The then Amildar Mir Goolam Mudhidin Khan is now at Chamarajnagar:

3 In this connection I beg to invite attention to the enclosed printed copy of bullock Dank Notification (by Government) and a special Notice issued by the then Deputy Superintendent of Hassan District dated 20 October 1868.

It may here be pointed out that the system of advancing money to Patels for buying dank bullocks has long been discontinued and it is really a hardship on them to visit them with punishment for not supplying

Supplying bullocks which they have in most cases to obtain by impressment which is not a very easy matter in these days.

It is undoubtedly a great inconvenience to travellers in these parts not to be able to get stage bullocks as without these, rapid travelling is impossible unless arrangements for ~~horse~~ relays are made by themselves or friends.

In these circumstances I would beg to submit that as a special case for the Malnad Taluqs, either a special allowance to the Patels for supplying double bullocks or an advance for buying such bullocks may be given.

I beg to remain
Sir
Your most obedient Servant

NOTICE.

Under the provisions of para 4 of the Bullock Dawk Notification, published at page 371 of the Mysore Gazette, No. 73, dated 22nd August 1868, notice is hereby given that in consequence of the difficulty experienced in procuring bullocks in the Malnad tracts of the Hassan District, an extra charge of one anna, or annas four per mile will, under the sanction of the Superintendent of the Ashtagram Division, be payable from the 1st proximo by travellers requiring bullocks to be posted for them in the Manjarabad and Maharajadurga Taluks beyond Pollium. Three days' notice is invariably necessary for procuring bullocks within the above mentioned tracts.

Deputy Superintendent.

NOTIFICATION

(See P. 371, Gazette, Vol. IV, 14 Issue dated 22/8/68)

RULES FOR CASH PAYMENTS BY STAGES FOR BULLOCK DAWKS LAID FOR TRAVELLERS THROUGH AMILDARS

With the sanction of the Commissioner of Mysore the existing system of payment for bullock dawks provided by public officials at the request of travellers will be modified according to the following rules, which will take effect from and after 15th September, on all lines of road, except those on which Companies or Firms may be under engagement to the Government to convey travellers.

1. A traveller requiring a bullock dawk to be laid for him by the Government must apply, at least 12 hours before the time of departure of the anche on the line of road concerned, to the Amildar of the Taluk, who will furnish him with a printed rahadari in Form No. 1 showing the name of each stage, the distance, and the amount payable by the traveller for each stage of the entire journey. For European Travellers the rahadari will be in English, for Natives in Kanarese.

2. The Amildar will, by the same day's anche, forward a Kanarese rahadari in printed Form No. 2 to each Amildar through whose Taluk the traveller has to pass, specifying therein the names of the stages within such Taluk only, the distance in miles, the amount payable by the traveller for each stage, and the dates on which the bullocks are required.

3. Each Amildar will then issue similar printed rahadaris (Form 2) to the subordinate officials of his own Taluk containing the like information so far as each official is concerned, and with such rahadari he will send tickets in Form No. 3 (one ticket for each stage) after entering in them the distance and the amount payable for the bullocks at each stage. The Taluk official to whom the rahadari is addressed will cause these tickets to be given to the men who have to accompany the bullocks, with directions to deliver up the ticket to the traveller or the traveller's servant on receiving payment at the end of the stage.

4. The ordinary rate of bullock hire is 3 annas per mile, but in those parts of the country where bullocks are not procurable at that rate, the Deputy Superintendent of the District, with the sanction of the Superintendent, will fix such higher rate as may be sufficient, a notice thereof being published in the Mysore Gazette, and put up under his signature in English and Kanarese in a conspicuous part of the Taluk Cutcherry and in Dawk Bungalows of the Taluk concerned for the information of intending travellers.

5. Should a traveller require a Masalchi to be kept in readiness at any stage, he should prefer his request when applying for the dawk to be laid; and the Amildar will then note in the several rahadaris the stage or stages for which the Masalchi is required and the amounts payable at the rate of 1 anna per mile, with the dates. Each Masalchi will be furnished with a ticket to be delivered up on receiving payment from the traveller. If a Masalchi is not thus ordered, the traveller must take his chance and pay cash according to distance at the rate of 1 anna per mile to any Masalchi who may be provided for him by the Taluk or village officials before he proceeds on his journey.

6. As at present, bullocks posted on the requisition of a traveller will wait for him 3 days only, inclusive of the day for which they are ordered, and for each day that they wait without being used by the traveller, he must pay detention batta at the rate of 8 annas per day to the Amildar or the Kotwal, who will give him a written receipt for the money which he will at once pay to the bullock man. Should a traveller not proceed on a journey for which bullocks have been posted at his request, the official who provided the dawk must give immediate notice to the Amildar of the Taluk on the expiration of the third day, in order that the detention batta due to the bullock men or Masalchis may be recovered from the traveller through the Amildar who issued the original rahadari.

7. A copy of these Rules in English and Kanarese will be put up on a board in every Dawk Bungalow and Taluk Cutcherry, and village choultry, and will also be printed on the back of the "Travellers' Rahadari" Form 2. All travellers will be required to abide by them especially in regard to the payment of the sums entered in the rahadari. Any evasion of the rules either on the part of travellers or bullock men will render them liable to prosecution.

The First Assistant to the
Resident in Mysore.

Sir,

With reference to the correspon-
dence ending with your letter No. 3189 ----
dated 21st July 99 re the non-supply
of dawk bullocks to Major Kenedy by the
Manjarabad Taluk authorities, I am di-
rected to state that the facts as as-
certained by the Sub-Divn Officer and
the Deputy Commr are (1) that Captain
Martin's letter requesting that bul-
locks be posted for the morning of the
27th April last, was received by the
Amildar so late as 4 P.M. of the pre-
vious day. (26), (2) that he at once issued
orders to the Kotwal of Saklespur, the
Kasba Shekdar, and the Patel of Hanbal
asking them to have bullocks ready in
proper time at Saklespur, Hebsale and
Hanbal respectively, (3) that he further
informed Captain Martin that he could
not at such short notice arrange to
have bullocks posted beyond his juris-
diction, (4) that the Kotwal supplied bul-
locks at Saklespur without any diffi-
culty or delay, (5) that the Shekdar and
the Patel of Hebsale failed to have
bullocks ready at Hebsale, and (6) that
partly
owing to remissness on the part of the
peon who carried the Amildar's order t
the Hanbal Patel and partly to neglect

of duty on the part of the said Patel, no bullocks were supplied at Hanbal. The conduct of the Police Duffedar of Hanbal was also blameworthy. The several public servants thus at fault have been punished by the Deputy Commr as follows:-

1. Peon Manjashetty----Dismissed
2. Peon Abdul.-------- Fined one Rupee
3. Patel of Hanbal } suspended for one
4. ,, Hebsale } year.
5. Kasba Shekdar- - - - Suspended for one year.
6. Police Duffedar of Hanbal (Ramaiya) } Suspended for three months.

2. ~~I am to add that~~ In the Durbar's opinion these ~~modified~~ punishments awarded by the Dy Comr are suitable and seem sufficient to ensure greater and prompter attention to ~~to~~ similar requisitions in future from officers travelling on duty. The Amildar has since been transferred to ~~another~~ a less important Taluk and the Durbar are not satisfied that any further action is called for against him in connection with the incident in question.
